PWI Funding Support: Building your attendance through the Commemorative Program Book

Greetings,

Thank you for considering attending the second Professional Women's International. This event is the realization of a vision I have held for over a decade, inspired by the 2021 PACC Summit facilitated by WOCPCSN. With encouragement from Ambassador Dr. Neil Parsan, we presented global topics under Pillar Four: Global Sustainability. Courageously, we brought this vision to life with PWI, aiming to apply our core principles in practice and offer a platform for support. Whether you participate as a Speaker-Awardee, Delegate, or Community Member, there are various options available to help cover your costs.

Blessings,

Loretta Green-Williams

Transformative Leadership and Global Impact (Saturday)

The day will explore how academic resources can support socioeconomic progress in various communities, with sports playing a prominent role. In the morning, sessions will cover the Sport Opportunities platform, the International Sports Opportunities Committee, and analyze how sports impact societies globally. Afternoon activities include the Honoree Lavendar Luncheon, which honors outstanding global academic leaders and encourages dialogue about international academic frameworks.

02 Benefit Alignment

#Your registration includes Wednesday, Thursday, and Friday Roundtables.

#The Speaker Awardee is based on your day of discussion:
